Bangers *and* Cash 2023

14th September - 18th

Start your engines!

Bangers and Cash is back on the road! From 14th - 18th September 2023 up to 40 teams of intrepid adventurers will take on the ultimate challenge, to take art on tour by travelling through eight countries and completing 1092 miles from Sheffield to Munich in a car worth £1500 or less! **40 teams, 8 countries, 1092 miles.**

Each team will be going the distance to help end youth homelessness by supporting Roundabout, your local youth homeless charity.

We invite you to take part in this fantastic event.

What's the Process

- Businesses and individuals are invited to register to take part.
- Rally teams will be made up of a maximum of three people.
- Artists submit designs for car bonnets to choose from.
- Teams purchase a car and choose a bonnet design from our shortlist.
- Artists submit designs for car bonnets for the rally teams to choose from.
- The bonnets will be exhibited in a prominent location in Sheffield featuring a plaque with your corporate or team branding.
- On 14th September 2023 the teams will meet at a central location and convoy out of the city, beginning their Bangers and Cash journey.
- Teams check into different locations, earning points by completing challenges en route.
- Once in Munich we will celebrate our achievements at an awards ceremony in the city centre.
- The bonnets will return to Sheffield after the rally to be auctioned off for Roundabout.

To register your team contact Emily Bush, 07395 831324, emily.bush@roundaboutltd.org

The Impact of Bangers and Cash 2018

“Wow - the effects and aftermath of Bangers and Cash for Roundabout have been just WOW!!!!

It's been just about a year since the last epic rally ended and it's amazing to think how much has changed for us at Roundabout in the last 12 months. Through the help of Bangers and Cash we've significantly increased our profile and we have been able to help more young people than ever before. Before Bangers and Cash we were supporting 180 young people every day, today we support 250 young people every day and we have given advice, support and housing to over 600 young people in the last 12 months.

We focused our Bangers and Cash fundraising on homelessness prevention. We know that if we can stop young people slipping into homelessness in the first place, it is much easier for them to rebuild and live fulfilling lives without the need for support services like Roundabout long into their futures.

Our Homeless Prevention Service in Sheffield supports young people by providing advice, mediation and homeless education in schools with our ground-breaking Peer Education project. Whilst the drop-in service is there for anyone who needs support and advice, we found that not all vulnerable young people were coming to the drop-in to seek help. Sadly, last year we began to see young people sleeping rough in the centre of Sheffield. In my 13 years at Roundabout I'd never seen this before. We developed a new street outreach team and now have dedicated rapid rehousing workers who actively go out into the community, identify homeless young people who need intensive support and help them to access accommodation and develop their long term living skills. Through their hard work and dedication, we successfully housed every young person that we found. Sheffield is now the only city in England that consistently reports that nobody under 25 sleeps rough and that is in no small part thanks to the funds raised by all the participants in the 2018 rally!

But it's tough, we are finding more and more young people who have had terrible childhoods and have much higher support needs than ever before. It will be a real challenge to keep our streets free from homeless young people in the future...but we are up for that challenge if you are!

By taking part in Bangers and Cash, you will be helping to raise funds to sustain current services and expand Roundabout's prevention work to fulfil our commitment that no young person in the Sheffield City Region should have to experience homelessness. ”

*Ben Keegan,
CEO of Roundabout*

Case Study

“ Roundabout has helped me so much for the past 2 years when I was going through the worst time of my life. I had nowhere to go and nobody to turn to, to ask for help.

That's when Roundabout basically saved me, they gave me a place to stay but it wasn't just a roof over my head - they gave me a support system.

I was in such a mess when I first started working with Roundabout, but with the continued help of my workers, I am now like a totally different person. I feel like I owe it all to Roundabout, they got me all the appointments with other agencies that they thought could help me and they came with me to the appointments so I didn't feel nervous about going to meet people I didn't know and helped me to get to appointments if I didn't know where the place was.

I am just so thankful for all the help and support Roundabout has given me. ”

YOUR LOCAL YOUTH HOUSING CHARITY

Join the Road Trip

Join the Adventure

- Secure your team place for £1,500
- The minimum fundraising sponsorship target per team is £2,000.
- All profits will support the work of Roundabout, South Yorkshire's youth homeless charity, providing shelter and support to young people aged 16-25 who are homeless or at risk of homelessness.

Benefits to taking part:

By taking part you will receive the following benefits for the duration of Bangers and Cash:

Acknowledgement:

- Right to use the Bangers and Cash title and logo, and Roundabout logo for PR and advertising use

Car artwork:

- Individually designed car bonnet chosen by yourselves from a selection of designs by artists, which will be auctioned at the end of the rally for Roundabout.

Corporate Branding:

- Acknowledgement of participation on an information plaque during the bonnet exhibition.
- Logo acknowledgement on the Bangers and Cash website with hyperlinks.
- Logo featured on your car in a prominent position.
- Social media posts about your engagement with Bangers and Cash and Roundabout.

Employee Engagement:

- Team building – your intrepid team of three working together to complete the rally in the allocated time frame, taking part in challenges along the way.
- The opportunity for organisation wide fundraising, involving co-workers in the event. Networking opportunities with other businesses.

Volunteering:

- Your whole team will have the opportunity to be involved in the fundraising for Roundabout, attending the exhibition and any other activity you would like to do around the event.

Social investment:

- By investing in Bangers and Cash, not only will you have an opportunity to take part in something unique, you will be giving your team the chance to be part of something city wide, creative and fun.
- Your team will play their part in raising thousands of pounds for a wonderful local cause that will change lives, investing in future generations.

Media & Press:

- Your team's involvement will be promoted through press and media communications (where relevant).
- Opportunity to create your own media stories around your car and fundraising activities.
- Social media opportunities through live check-in and activities throughout the rally.

Networking Opportunities Throughout The Rally:

Bangers and Cash will also give you many opportunities to network with other companies taking part.

As a team you will be invited to the following events:

- Exhibition Preview
- Team get together (Rally points up for grabs!)
- Team training and skills event
- Rally launch 14th September 2023
- Team celebration and awards night in Munich after the Rally is completed

Social Impact:

All the profit from Bangers and Cash will support the work of Roundabout, your local youth homeless charity.

By taking part in Bangers and Cash 2023, you will be helping to raise funds to sustain their services and expand their homeless prevention work, to fulfil their commitment that no young person in the Sheffield City Region should have to experience sleeping rough.

Team Responsibilities

- Purchasing your car for £1500 or less.
- Ensuring you all have insurance and European breakdown cover.
- Managing potential car breakdown en route and "and reaching Munich as a team" with your bonnet - this is part of the challenge after all!
- Funding any modifications on your car and your car service (if you choose to have your car serviced but we would recommend this!)
- Return transportation from Munich to UK.
- Looking after your car at every point of the challenge and post challenge.
- If at any point you wish to scrap your car, you will have to find somewhere en route. We can suggest somewhere in Munich, please remember not to scrap your bonnet.
- Fuel, accommodation, ferry crossing, food and drink for your team.
- We are working with a travel agent who can book accommodation on your behalf?
- Your car engine must be no more than 2ltr unless you have already purchased your vehicle.
- If you have the environmental credentials we can look at hybrid vehicles with sign off from the Bangers and Cash team?

The Route

FAQs

Below you'll find answers to the questions we get asked the most:

[Do we have to buy our own car?](#)

Yes you do, we have partnered with a local car dealer where you can purchase your cars at a reduced rate or you can buy from a place of your own choice. You are only able to spend a maximum of £1500 on your car.

[Do we have to get our own insurance?](#)

Yes you do, you are responsible for your own insurance as well as break down cover, you need to prove you have both before you participate in the adventure.

[Do we have to follow the same route?](#)

We suggest doing so, however, as long as you reach the check points and check in via the WhatsApp Group you can take whatever route you like. We will be convoying into Munich on the last day.

[Once I have my car can I improve it?](#)

Yes you can, we would recommend that you have a mechanic look at the car before you embark on the adventure to ensure it is in good shape. You can also spend as much as you like on improving the car as long as you prove the initial value when purchased was no more than £1500. However, you cannot make modifications to the outside of your car.

[Am I responsible for my car if it breaks down?](#)

Yes, it is your responsibility. You must buy European break down cover in the event your car does break down and manage getting your team and bonnet down to Munich! It is part of the challenge after all!

[Do I need to organise my own accommodation on route?](#)

Yes you do. As a team you are responsible for planning your trip including accommodation, route, petrol, food and drink and the return journey back to the UK

[Can I have my car crushed after the event and fly back to the UK?](#)

Yes you can. The car is your responsibility, we can suggest where to get your car crushed in Munich, however you need to donate the bonnet back to Roundabout for auction.

Why can we only have three people in the car?

It is important to have spare seats in your car in case other teams breakdown and need a lift!

Larger cars are permitted but you must ensure that you have spare seats.

How big can my engine be?

To help offset your carbon footprint we have limited the engine size for your car to be no larger than 2ltr. Unless you have already purchased your team vehicle.

Will we be driving in convoy all the way to Munich?

No, we will be leaving Sheffield together and convoying into Munich as a group.

We will also be participating in team challenges en route but other than that you are able to drive the route at your own pace.

The Rally is not a race and we will be leaving at the same time each morning to ensure the support vehicles are where they need to be.

Will there be a support vehicle?

Yes, the support vehicle will follow the same route and check points to Munich. The support team will include a mechanic and members of the team that will assist with any issues that may arise en route, if they are nearby. We cannot guarantee that we can assist you if you breakdown hence why roadside assistance and European breakdown cover is essential.

Bangers and Cash is brought to you by

Roundabout is South Yorkshire's youth homeless charity, providing shelter, support and life skills to young people aged 16-25 who are homeless or at risk of homelessness.

We work with young people and their families to help prevent them becoming homeless. We also provide emergency accommodation for homeless young people at our hostel and support young people to live independently in their own accommodation and in shared housing throughout the city.

Roundabout offers young people a comprehensive programme of training and support which breaks the cycle of homelessness and develops long term independent living skills.

Sheffield Council are proud to be part of Bangers & Cash. Building on the success of the Herd Of Sheffield it will provide a stunning city centre based art exhibition, a great event to see the cars off and of course raise thousands for a local charity.

We will be providing 'in kind' support through our City Centre and Events Teams along with venues throughout the city centre.

Becks & Co make creative ideas a reality. We can create new concepts, projects and strategies for your organisation or scope ideas you may already have, refining them to make them feasible as well as appealing to your chosen audiences. We can be with you every step of the way through project delivery, on hand to give you advice and support to help you deliver the best outcomes. We use our vast experience within the charity and corporate sectors to create something unique and engaging.

Making a positive impact on society through creativity and collaboration is at the heart of everything we do, we bring people together from different sectors to create something special. As well as project support and ideas generation we mentor fundraisers and advise individuals, companies and the public sector on how to maximise their social impact through charitable giving.

Sheffield artist Matt Cockayne has been creating local art for the past 10 years. With a strong brand and a passion for Sheffield he has gained a loyal band of followers and fans of his colourful striking art.

The brain child behind Bangers and Cash, what we once thought was a crazy idea is now a reality and Matt can't wait to get behind the wheel and take his art exhibition on the road for a second time!

You can see many examples of Matt's handy work from the concept car to the branding and print media Matt has created for Bangers and Cash.

To view Matt's work, check out his art on his website or to discuss commercial commissioned art email Matt at: studio@goo-design.co.uk
